Equal Opportunities Statement

TPT Consultancy & Training is committed to equal opportunities and therefore considers equal opportunity practice to be integral to all aspects of working life.

TPT Consultancy & Training aims to ensure that neither applicant nor employee is discriminated against, either directly or indirectly, on the grounds of gender, marital status, racial or ethnic origin, disability, sexual orientation, age, religion or trade union activity where these or any other factors are irrelevant to the post in question. Working procedures which ensure that individuals are treated on the basis of the knowledge, skills and aptitudes relevant to their jobs will be kept under review.

TPT Consultancy & Training is committed to action to make this policy fully effective. The success of the policy is dependent upon the support and co-operation of all staff.
